

Press Release

DECOCINO New Product Launch Decorative sugar sprinkles in a trendy packaging with eight different designs

DECOCINO's new range of sugar sprinkles are almost too pretty to eat! The totally up-to-the-minute packaging fits perfectly in the hand, while the sprinkles themselves are easy to dispense and measure out correctly. The stackable packaging can be resealed via a convenient screw top. There are eight different designs of sugar sprinkles, from glossy pearls with a luxurious, matte shimmering effect in a choice of pink, white, or light-blue; multi-coloured mini butterflies, mini hearts and mini diamonds, as well as the traditional nonpareil and sprinkle mix varieties.

The new DECOCINO sugar sprinkles are available immediately in leading specialist stores and food shops.
